

RANCH ROAM

Featuring Country Artist Amber Leigh and Animal Planet's "Gator Boys" Benefits The Boys & Girls Clubs Of Broward County

SPECIAL PERFORMANCE

BY UP-AND-COMING COUNTRY ARTIST
AMBER LEIGH

The Boys & Girls Clubs of Broward County will host the 17th Annual DEX Imaging "Ranch Roam" event 6 p.m. Saturday, March 23, at "Alligator" Ron Bergeron's Green Glades Ranch in Weston. The event will celebrate a unique venture into the real Wild West of Broward County, all to benefit The Boys & Girls Clubs of Broward County.

Guests will enjoy a unique wild and woolly western experience on a real working ranch featuring gourmet food, an "Otter" John Wildlife Experience, Old West casino, live and silent auctions, hayrides, western photos, gunfights, line dancing and clogging demonstrations, and Old West fortune tellers. The evening's festivities will also include a special performance by up-and-coming country artist Amber Leigh and professional gator wrestling by Animal Planet's own "Gator Boys."

One of the Clubs' largest fundraisers, Ranch Roam has raised more than \$10 million since its inception in 1996. Table sales start at \$2,500 or \$5,000 Cattleman sponsorships offering an array of benefits. The Boys & Girls Clubs of Broward County joined the na-

tional organization in 1965 and have grown along with the movement. We now have 12 facilities with a membership of more than 12,000 youth, making us one of the largest Boys & Girls Club organizations in the nation. We are a nonprofit 501(C) (3) private agency. We rely on funding raised by our board of directors, special events, general donations, corporate sponsors, foundation support, endowments, and the Broward County government.

DEX Imaging is the largest and fastest growing independent dealer of Konica Minolta and Kyocera document imaging equipment in the United States. As pioneers of the mega-dealer imaging industry, the company's founders have fine tuned a business plan for DEX that gives customers all of the advantages of a large dealer network, but with the hands-on service typically only experienced with a small, local vendor. The privately held company prides itself on giving back to the community by donating one-third of the company's profits to charities and educational program within the markets where DEX does business. Headquartered in Tampa, DEX Imaging currently has 24 locations in Florida, Tennessee, Maryland, Alabama and Mississippi, with one of the company's main regional distribution centers located in Pompano Beach.
